

Laurelwood

Hello May!!

I know everyone is excited for the wonderful weather we have been having, and I see all the projects going on around the neighborhood, which is wonderful! I am hoping everyone will be joining us for LW Day Saturday, May 17, 2025. Also, looking forward to the Neighborhood Garage Sale which brings traffic so please be mindful of those walking and shopping!

Couple of updates:

- Blinds have been installed in the gym, which look great.
- New fencing has been installed at the Clubhouse and will be installed at the Old Fannin entrance.
- Updates have been made to gates at both pools.
- Fencing installed at Clubhouse to keep the garbage cans from view.

COVENANT REMINDER

PETS

Pets shall be kept on a leash and under control of their owner when they are outside the owner's lot and must not be a nuisance to other residents. Also, be mindful of picking up your pets' excrements and disposing of them at your home and not your neighbors OR the clubhouse garbage cans.

Your 2025 – 2026 LWHOA Board Members and Officers

Kimberly Shows, President
Becky McCellan, Vice President
John Connelly, Treasurer
Joseph Moore, Secretary
