October/November 2017

## Did You Know?

If you see a teal pumpkin during Halloween, it means the house is providing allergy-safe treats? The Teal Pumpkin Project is a campaign encouraging people to display blue teal pumpkins to notify trick-or-treaters they're giving out non-food & allergy free treats. Ideas for free allergy treats include necklaces, coins, bracelets, playing cards, and stickers to provide treats on Halloween for those with food allergies.

## Covenant Reminder Corner

### Lot Appearance

Each owner shall maintain the appearance of his/her lot in high quality condition. The grass, flowers, and shrubbery must be mowed or trimmed at regular intervals so as to maintain them in a new and attractive manner.
